

Plaster wall light "Ball" G9

Ref. B270

Round wall sconce "Ball". Decorative element with a organic design featuring a G9 lamp holder. Indirect lighting to wash walls on both sides, creating cozy and warm spaces that provide a sense of well-being. Perfect for modern, natural, beach, living rooms, bedrooms, studios, hotels, etc. Made of plaster for installation on walls, it is completely integrated into the wall and can be painted or integrated into the wall with plaster coating. Unchanged over time and resists environmental factors such as heat and cold. Measures 150X130X130mm and suitable for interiors with an IP20 rating. *G9 bulb not included*
