

Gold Interior Wall Sconce with Socket and Switch for Bedroom, Staircase, Desk

Indoor wall sconce with timeless classic design. The product can be installed in various ways, resting the E27 filament bulb (not included) on the ring or hanging it from the 240cm cable with a simple knot. The socket integrates into the design with elegance and simplicity. It also features a switch perfect for practical and comfortable use. Made of aluminum with a golden finish. You can use the wall lamp for reading by the bed, in hallways, in restaurants, hotels, or any indoor place in your home or business. Wall sconce with an IP20 protection rating. Only for E27 bulbs "not included"
