

## Portable LED CCT table lamp "Laura"- 1,5W - Touch - Dimmable intensity

Wireless LED table lamp with a modern and versatile design. With an IP54 protection rating, it is suitable for both indoor and outdoor use. Thanks to its CCT system, it allows you to adjust the color temperature between warm white, neutral white, and cool white. It is very easy and intuitive to control via a touch system and is recharged via USB Type-C.
