

Wall light with articulated arm and "Clark" socket - E27

Wall lamp with extendable arm, cable, and plug, featuring an elegant and classic design, made of aluminum with a fabric shade. In addition to its aesthetic qualities, this fixture offers great functionality, thanks to its articulated, extendable, and adjustable arm. It is ideal for installing on headboards, studies, or reading corners. Available in white, black, chrome, and gold, with a white screen. ****Accepts E27 LED bulb - Not included****
