

Tilting surface LED spotlight - 2700K - Cree Chip - 15W

Tiltable surface LED spotlight, with a modern and functional design, easily integrable into any lighting project that requires accent or highlight lighting. It can be directed at an angle of up to 90° and has a luminous beam angle of 24°. Incorporates a high-capacity COB LED luminaire with a CREE chip of the highest quality that emits a warm white light (2700K), with a power of 15W and a brightness of 1100 lumens. Its high chromatic reproduction index, CRI>95, allows for the display of colors accurately, without distortions. Made of coated aluminum with a matte finish, it is available in white and black.
