

Pipe pendant lamp "ROPE" with 6 ropes

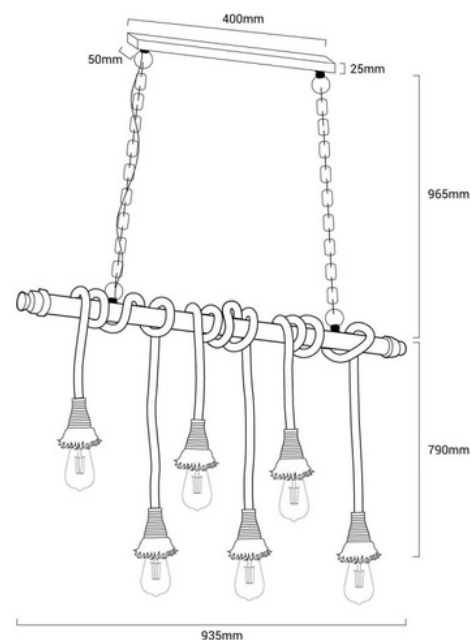

Ref. LV235

Pendant lamp made of pipes with six light points on hemp rope. Each of its ropes is adjustable, allowing you to create different styles with it. Tie knots, wrap them around the pipes or among themselves. Place bulbs of different styles, creating a lamp designed to your taste. Illuminate your restaurant, store, or living room with a style between vintage and industrial. Hang it from the ceiling or from a beam to give a special touch to your space. * Bulbs not included *
