

Integrated linear LED wall light - 13W - 60cm - IP20

Ref. LN1578-60-N

This wall sconce features a simple and modern line design and is made of high-quality aluminum. It emits a diffuse and homogeneous light in a warm white tone thanks to its integrated LED lighting. It has a power of 13W. We recommend placing this fixture in circulation areas, such as a living room, dining room, bedroom, or entryway to create the most incredible effects.
