SMART RGBW and CCT circular surface mounted LED ceiling lamp with WIFI connection - 30W - IP20

Ref. B1290-R-SMART

The SMART LED CCT + RGBW surface circular LED panel features a modern and elegant design, with an opal diffuser that provides intense and uniform lighting, with no dark spots or shadows. Enable the WIFI connection and using the TUYA application control the lighting in a personalized way, choosing from infinite possibilities of colors and intensities. In addition, it incorporates the CCT system, allowing you to select different shades of white: warm, neutral, or cool, depending on the environment or the time of day. Compatible with Google Home and Amazon Alexa.
