BASIC CCT square LED surface mounted ceiling lamp - 24W - IP20

Ref. B1288-C-CCT

The BASIC 24 W surface square LED panel features a modern and elegant design, with an opal diffuser that allows for a intense and homogeneous illumination, with no dark areas or shadows. It incorporates a CCT temperature selector, which makes it possible to modify the color temperature between warm white (3000 K), neutral white (4000 K), and cool white (6500 K). It is a high-efficiency lighting fixture, with a power of 24W and emits a luminous flux of 1800 lumens, perfect for any indoor space, which will allow for a great energy savings.
