

Modern wall lamp "WAVE" - 40W - 2800K

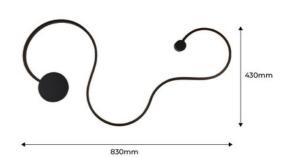

Ref. L3074-N

"WAVE" is a contemporary sconce with an original and attractive wave design. It includes a high-quality LED light fixture that provides a uniform and diffuse lighting of warm white tone (2800 K). The product is equipped with a Eaglerise driver and other high-quality components, ensuring a long lifespan. Its black aluminum structure and casual appearance make this sconce an exceptional object that perfectly fits any modern interior design style.
