

Linear opal LED opal luminaire for magnetic rail 48V - 20W - White

The 20W LED linear track light is a state-of-the-art luminaire with a modern design. It is ideal for general or ambient lighting, with a wide light beam angle (120°) and a polycarbonate diffuser that allows for even light distribution. Easy installation without tools, allowing for simple reorganization and combination with other lights. It has a high color rendering index (CRI>90), which shows colors with high fidelity. Available in black and in two shades: warm white and neutral white.
