

Pack Ceiling or wall lamp "CINEMA" with LED PAR30 E27 bulb

Ceiling or wall lamp pack "Cinema" + PAR30 LED bulb with E27 socket and 23W. This spotlight is fully adjustable to highlight the objects you prefer or to focus the light in just one area. It is perfect for use on the ceiling or wall with a black finish and an industrial style. Its shape is similar to that of vintage stage lights, making it ideal for creating retro atmospheres. This spotlight is adjustable and rotatable thanks to its 4 outer caps, allowing us to play with lighting effects by grouping or separating the caps for decorative purposes. Includes LED PAR30 bulb, This LED PAR30 bulb is designed to replace halogen bulbs with E27 socket. These bulbs are the latest generation and feature high technology (Osram chip) that provides excellent illumination never seen before in LED fixtures while consuming minimal energy.
