

Sky effect panel "Blue Skylight" - Daylight - Dimmable 0-10V - 155W - 60x60cm

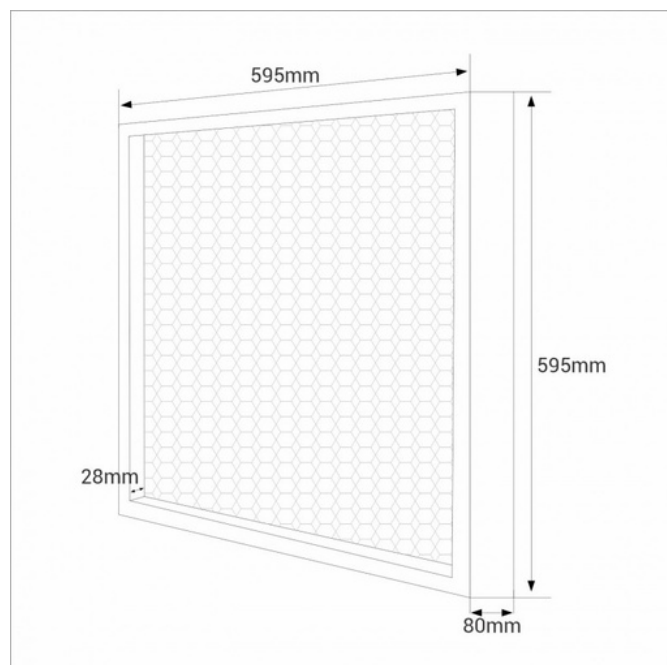

Ref. B5228-BS-60X60-D

Panel "Blue Skylight" of 60x60cm adjustable, with advanced technology capable of mimicking sunlight with great precision. It is a product specifically designed for offices, public facilities, underground spaces, and other environments where natural light is limited or unavailable. It allows for the recreation of a bright blue sky, establishing a connection with the outside, thereby increasing the users' well-being. Includes a driver with 0-10V regulation, which provides the ability to adjust the light intensity to fit different lighting needs in a space.
