

Rattan pendant lamp "JAVA".

Our lamp "JAVA" is handcrafted from perfectly woven rattan fibers. Its original bell-shaped form and its intertwined natural-colored rattan strips provide consistency to the structure. Its frayed finish adds freshness, giving it a rustic, carefree, and warm look. It comes with three options for the canopy and cable (white, black, and natural rope) so you can choose the one that best matches your environment. ****Accepts E27 bulb (not included)****
