

MARISA" aluminum outdoor wall light - IP44 - E27

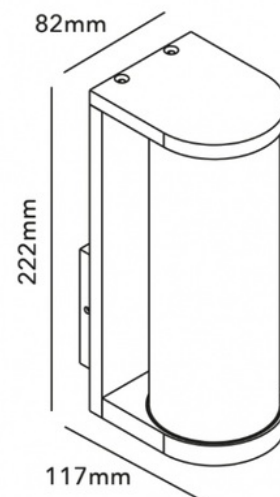

Ref. L5062

Aluminum outdoor wall light with a modern and elegant design. It features a transparent cylindrical glass diffuser that protects the bulb and creates a pleasing effect as the light passes through. Its IP44 protection rating makes it an ideal wall fixture for placing in covered outdoor spaces such as balconies, terraces, or porches, where it will not only provide light but also create a warm atmosphere. ** E27 Socket - bulb not included (maximum diameter 65cm)**
