

CCT LED 3-phase track spotlight - 40W - CRI 90 - KGP Driver- White

LED Projector for three-phase track that stands out for its compact design and the high quality of its components. Its powerful COB LED chip light beam accurately illuminates details, with a high color rendering index (CRI >90), allowing for the natural display of true colors. It features a horizontal rotating body of 350° and vertical of 90°, and a focal light angle of 38°, providing an ideal spotlight for highlighting objects or products. Furthermore, its CCT system offers the possibility to adjust the color temperature, allowing the selection of the type of light that best suits the needs of each project. Includes honeycomb filter of 80mm diameter and 2mm thickness to be placed on the spotlight to achieve glare-free lighting.
