

CCT LED 1-phase track spotlight - 10W - CRI 90 - KGP Driver - Black

LED Projector for Single-Phase Rail that stands out for its compact design and the high quality of its components. Its powerful COB LED light beam precisely illuminates the details, with a high color rendering index (CRI >90), allowing for the natural display of true colors. It features a horizontal rotary body of 350° and vertical of 90°, and a focal beam angle of 38°, providing ideal spotlighting to highlight objects or products. Additionally, its CCT system provides the ability to adjust the color temperature, allowing the selection of the type of light that best suits the needs of each project. Includes a honeycomb filter with a diameter of 43mm and a thickness of 2mm to be placed in the focal point to achieve anti-glare lighting.

Product data

Housing color	White, Black
Beam angle (°)	360°, 38
Certs	CE, ROHS
Energy efficiency class	F
CRI	90-95
Dimensions (mm) LxWxH	Ø55 x 150 x 65
Dimmable	No
Driver	Internal, KGP
Warranty	5 years
IP	IP20
Kelvin (K)	3000, 4000, 6500
Lumens (Lm)	764lm (warm white) / 821lm (neutral white) / 818lm (cool white) , 818lm (cool white)
Material	Aluminum
Material diffuser	Polycarbonate
Orientable	Yes
Power (W)	10
Sensor	No
Nominal Voltage (V)	220 - 240 V AC
Track Type	Single-phase
Key	CCT
Outdoor Use	No
Recommended Use	Hotels, Offices, Commerce, Pharmacies, Fresh product lighting, Museums - Galleries, Fashion and retail, Bakeries, Greengrocers, Jewelry
Type of LED	COB
