

Magnetic track 48V + suspension kit - 1 meter

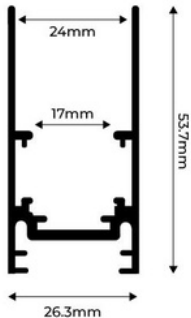

Our 20 mm surface magnetic track is made of high-quality aluminum and is available in white and black. It allows for the very simple placement of magnetic LED lights according to the needs of each project. With the suspension kit, it is possible to install this rail suspended from the ceiling, allowing for height adjustment to the desired level. The pack includes: ✓ A 1 m long magnetic track ✓ 2 steel cables, 1.5 m long (height adjustable) ✓ 2 track connectors ✓ 2 ceiling connectors ✓ Aluminum cover to cover the exposed surface between fixtures ✓ 2 end caps ✓ All necessary accessories for installation
