

Wall reading light "Quart" - Double light - 3W+6W

The "Quart" wall scone is specially designed to be installed on headboards and offers both reading and ambient lighting. It incorporates a 3W adjustable spotlight that functions as a reading lamp and a 6W perimeter light fixture that emits diffuse ambient lighting. It features two independent switches that facilitate its control. Both luminaires emit light in a warm white tone (3000K). Available in black and white.
