

10W LED step light - Warm white - IP67 - Black colour

Ref. BA50025-BC

10W recessed LED ground beacon, specifically designed for outdoor lighting. It has an IP67 protection rating that provides a high level of insulation against external factors such as rain and dust. Thanks to its 30° beam angle, it is ideal for illuminating facades or walls, but it is also suitable for lighting walkways, passage areas, patios, terraces, among many other applications. Suitable for pedestrian traffic.
