

Round CCT LED Ceiling light - 18W - IP40

18W circular LED ceiling light with a modern and elegant design featuring a white opal diffuser that ensures uniform lighting, without dark spots. Its CCT system allows you to change the light temperature between warm white (3000K), neutral white (4000K), and cool white (6500K). Due to its high efficiency (100lm/W), this ceiling light guarantees a significant energy saving. Available in black, white, and wood effect.
