Black hanging chandelier "Lumière" for 6 E27 bulbs – Vintage style

Ref. LV241-2

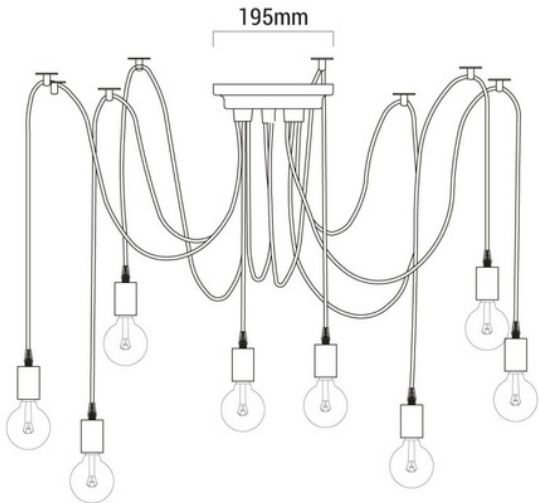

Black chandelier named Lumière. Its name comes from the inventors of the cinematograph, the Lumière brothers [1] Why this name? Because its style reminds us of a vintage lamp, straight out of a movie, like the old black and white ones but with a modern twist. Ideal for installation in dining rooms, bedrooms, and restaurants. It features 6 arms (cables) for E27 bulbs. Each leg of the chandelier measures 1300mm. PVC wiring. - Bulbs not included - [1] https://es.wikipedia.org/wiki/Hermanos_Lumi%C3%A8re
