

Tri-proof CCT LED ceiling light with motion sensor - 24W - Ø28cm - IP65

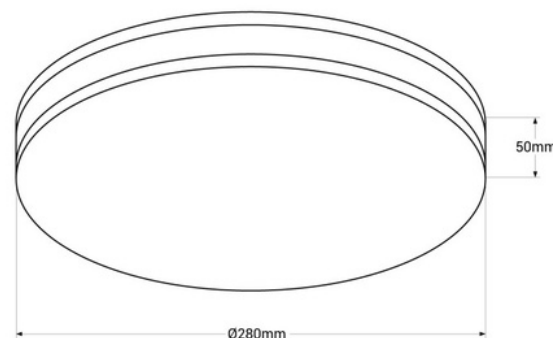

Ref. B1390-RS-CCT

Waterproof LED ceiling light with a modern and elegant design with a power of 24W and an efficiency of 100lm/w. Its IP65 protection rating ensures its impermeability against external factors, allowing for installation outdoors. It has a motion sensor that activates the lighting only when detecting presence, providing significant energy savings. Additionally, it features a CCT temperature selector that allows you to change the color temperature between warm white (3000K), neutral white (4000K), and cool white (6500K).
