

Single colour LED Remote control - 4 Zones - Rotating wheel - SK-RT6 - Skydance

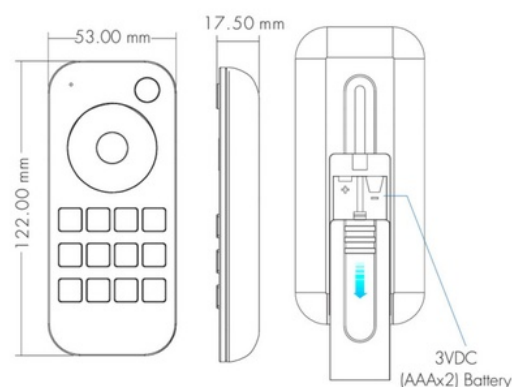

Ref. SK-RT6

The monochrome "Skydance" 4-zone remote control offers you an easy way to adjust the light intensity thanks to its highly sensitive touch wheel. With an intermediate size, it is comfortable to handle and comes with a convenient wall mount. Enjoy fast communication, an anti-interference system, and a transmission distance of up to 30 meters. With this remote control, you can operate various compatible "Skydance" LED controllers. Works with 2 "AAA" batteries (not included).
