

CCT LED 24W Ceiling Light - Wood and Polycarbonate - Ø40cm - IP22

Refresh your space with our 24W LED ceiling panel that combines the warmth of wood with the durability of polycarbonate, available in black or white. Your CCT system allows you to adjust the color temperature to your preference, between warm white (3000K), neutral white (4000K), and cool white (6500K). Enjoy uniform, shadow-free lighting thanks to its white opal diffuser. Make your home shine with this versatile and elegant piece!
