

CCT LED 24W ceiling light - Wood effect - ø50cm

24W ceiling LED panel light of large dimensions for all types of environments. A versatile style that adapts to any environment, highlighting contrasts in a harmonious way, thanks to its metallic structure, its interior in wood effect, and a diffuser in polycarbonate for uniform and efficient lighting. With its CCT system (3000K, 4000K, 6000K), it adapts perfectly to any project. Available in black and white. Make your space shine in style!
