

CCT LED slant ceiling light - 24W - Wood effect - Ø50cm

24W LED ceiling lamp with an original slanted design and large dimensions. Versatile style that adapts to any environment, highlighting contrasts in a harmonious way, thanks to its metal structure, its interior in wood effect, and a polycarbonate diffuser for uniform and efficient lighting. With its CCT system (3000K, 4000K, 6000K), it adapts perfectly to any project. Available in black and white. Make your space shine with style!
