

43" LCD Display - 500 nits - FULL HD - Menus and Digital Signage - Ceiling Mount

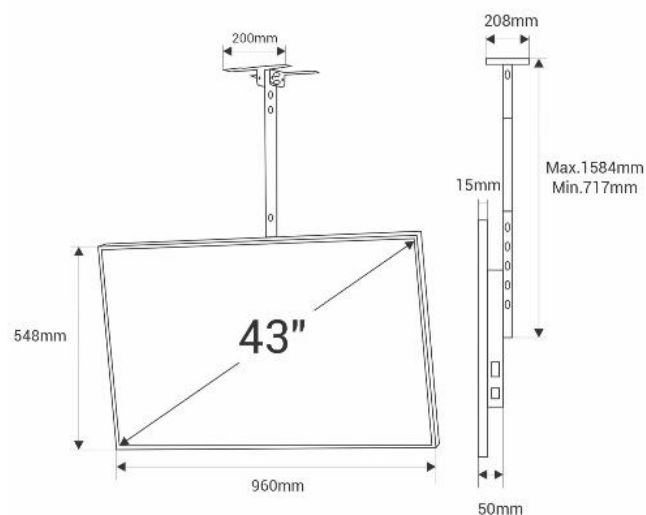

Ref. K_M-43-I-HD972-4+32-ST

Transform the visual experience of your business with our 43" FULL HD LCD screen. Designed for digital menus in restaurants (Menu Board), bars, and cafes and signage in stores, shopping malls, medical facilities, educational institutions, hotels, among other businesses. With a brightness of 500 Nits, ensuring that your content always looks its best with maximum clarity. This screen can be installed with horizontal or vertical orientation, allowing you to adapt it according to your needs and the available space. Your Android Operating System allows you to download applications from the Play Store, and the free content management software enables you to send and update content remotely. The installation is straightforward thanks to the ceiling mount with screws, providing a secure and stable fixture for ideal viewing. Product subject to special shipping conditions depending on the region: +€100 +VAT shipping costs - No additional discounts or coupons accepted
