

LED waterproof ceiling light / Emergency light - CCT - Adjustable power 12W-16W - Ø31cm - IP65

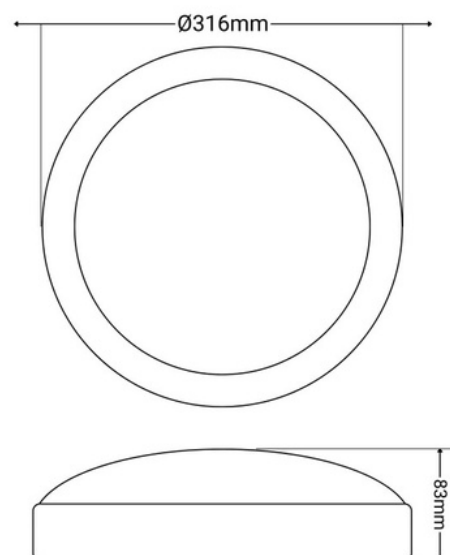

Ref. B1726-R-CCT-EM

Waterproof emergency LED ceiling light with adjustable power (12W-16W). Functions as a ceiling light and as an emergency light. It incorporates an automatic ignition system that activates in the event of a power outage, with a power of 1W and a runtime of up to 3 hours. Thanks to its IP65 rating, it is resistant to water and dust, making it ideal for high-traffic areas, bathrooms, kitchens, patios, or outdoor spaces that require reliable lighting, even in adverse environmental conditions. Offers adjustable CCT lighting: warm white (2700K), neutral white (4000K), and cool white (6500K).
