

Outdoor LED Downlight 5W - 4000K - IP65 - TRIAC dimmable - Interchangeable bezel - Cutout Ø68mm

5W LED Downlight in warm white color (3000K) ideal for outdoors or areas with potential humidity (IP65). It stands out for its compact and elegant design in white, offering an excellent lighting option for any space. Customize your appearance with polycarbonate decorative rings, available in three finishes: matte black, silver, and chrome. These rings are sold separately and offer greater versatility to adapt to different decorative styles. Provides high-quality lighting, with a high color rendering index (CRI>80) and a brightness of 420 lumens. Adjustable by TRIAC for intensity control.
