

## Aluminium outdoor wall light "Oriol" - IP44 - R7S

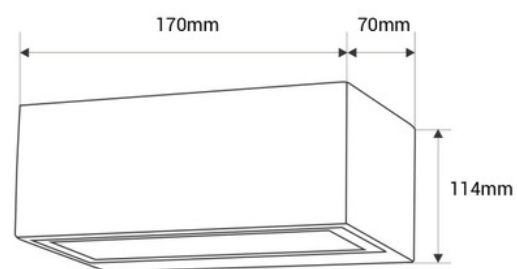

### Ref. L5092

Rectangular outdoor fixture made of aluminum, with a modern and elegant design, featuring an R7S socket (bulb not included). Up & down lighting, thanks to its glass diffusers, the light is distributed evenly, making them perfect for complementing contemporary spaces. Due to its degree of protection IP44, it is designed for use in covered outdoor areas, such as porches, terraces, and balconies. **\*\*Accepts R7S bulb (118mm) - NOT included\*\***
