

Configurable cone lamp "Axia 2" - Two 2W flat lamps + Conductive fabric strip + accessories

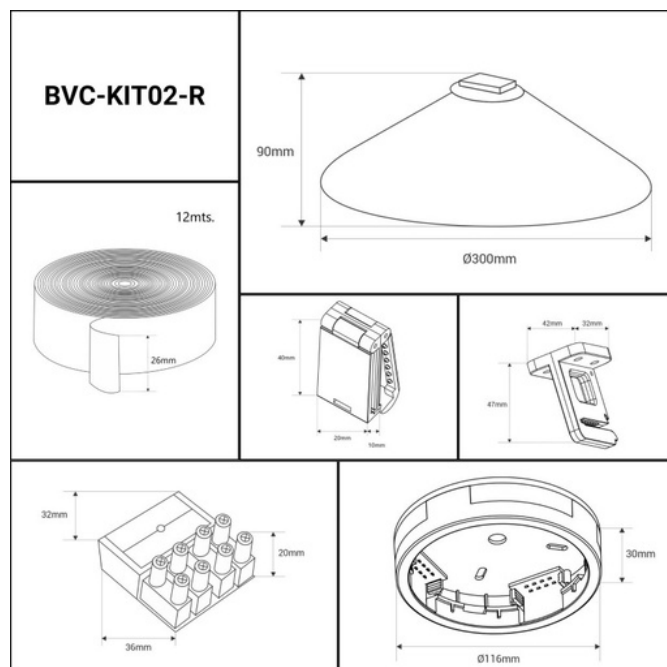

Ref. BVC-KIT02-R

Axia is an innovative lighting system composed of a conductive textile tape that allows fixtures to be placed freely and create custom configurations. The KIT includes two hanging LED plate lights + brick-colored fabric tape + installation accessories. Each lamp has a power of 12W and emits warm light (3000K), ideal for creating cozy environments. Transform your spaces with Axia, a new way of interaction between space, material, and light. ** OPERATES AT 48V - POWER SUPPLY NOT INCLUDED**
